

# Nutcracker 2017 Costume Fitting Schedule

Your costume fitting schedule is MANDATORY. It is extremely important that we have ALL the dancers in a group there to fit at the same time. Please wear undertards or a standard leotards and tights to fittings. Older dancers and adult women, PLEASE wear/bring the bra that you intend to wear under your costume during the performance. Party Scene Men and Women please wear the shoes you will be dancing in during performance. We will be as efficient as possible, but plan for dancers to be at the fittings for the entire time scheduled. Where we could make it work fittings are adjacent to rehearsal times. Wait in Hallway until you are called in. If you have questions please stop into the Costume Shop & Ask Sharon White

**\*\*Angel Soloist, Sugar Plum, Snow Queen, Chinese Soloist, Dew Drop, Marzipan, and Mother Lena will ALL have weekday evening fitting times, TBD**
